

BOARD POLICY

Records and Records Control

The Superintendent recognizes the importance of securing and retaining district documents. The Superintendent or designee shall ensure that district records are developed, maintained, and disposed of in accordance with law, Board Policy, and Administrative Regulation.

The Superintendent or designee shall consult with district legal counsel, site administrators, district information technology staff, personnel department staff, and others as necessary to develop a secure document management system that provides for the storage, retrieval, archiving, and destruction of district documents, including electronically stored information such as email. This document management system shall be designed to comply with state and federal laws regarding security of records, record retention and destruction, response to “litigation hold” discovery requests, and the recovery of records in the event of a disaster or emergency.

The Superintendent or designee shall ensure the confidentiality of records as required by law and shall establish regulations to safeguard data against damage, loss, or theft. In the event of any known or reasonably suspected breach of the security of district records containing confidential personal information including, but not limited to, a social security number, driver’s license or identification card number, medical information, health insurance information, or an account number in combination with an access code or password that would permit access to a financial account, the Superintendent or designee shall immediately notify local law enforcement agencies and any affected person. Notification of affected individuals may be delayed if a law enforcement agency determines that the notification would impede a criminal investigation.

The Superintendent or designee shall ensure that employees receive information about the district’s document management system, including retention and confidentiality requirements and an employee’s obligations in the event of a litigation hold established on the advice of legal counsel.
