

BOARD POLICY

Alternative Assignment Authorizations

The Board of Education authorizes the assignment of any holder of a credential, other than an emergency permit, to teach subjects in departmentalized classes in kindergarten or any grade, one to twelve inclusive, provided that the teacher has adequate knowledge of the subject matter and that the teacher consents to the assignments.

The Board delegates to the superintendent, or the designee, authority to establish and implement regulations and procedures to meet the requirements of the policy and Education Code 44258.3 and 44258.7(c)(d).
