

BOARD POLICY

Student Teachers; Contractual Agreements for, Placement and Supervision of

The superintendent is authorized to enter into agreements with accredited institutions of teacher education to provide student teaching experience to candidates for education credentials. The superintendent is further authorized to sign and implement necessary supplementary contracts with said institutions for said purposes not to exceed established budgetary limitations.

Student teachers from institutions of higher learning may be placed in the various schools of the district for purposes of practice teaching as directed by the superintendent in compliance with state requirements relating to certification.

Teachers who accept the assignment of and responsibility for the direct supervision and instruction of classroom teaching of student candidates for teaching credentials shall receive remuneration, as prescribed, from funds provided by the training institution.
