

Administrative Regulation

Classified Service, Confidentiality of Application Information

Unless these rules specifically designate otherwise, all documents, such as applications, references, examination papers, etc., shall be considered confidential information and the property of the Garden Grove Unified School District, and shall not be returned.

The names of the applicants, candidates, or eligibles in any examination shall not be made public, nor open to inspection, except as designated in these rules.

Examination records, except standardized written tests or tests covered by a confidentiality agreement with another agency and confidential references, shall be open to inspection by an applicant, candidate, eligible, or his/her representative.
