

## Administrative Regulation

Weapons or Injurious Objects, Authorizes Certain School Personnel to Take Away and Retain Possession of

Any certificated employee of any school district and any classified employee of a school district who is designated by the superintendent for such purposes may take from the personal possession of any pupil upon school premises or while under the authority of school personnel any injurious object (objects capable of inflicting substantial bodily damage) in the possession of the pupil.

The parent or guardian of a pupil from whom an injurious object has been taken pursuant to this section may be notified of the taking by school personnel.

School personnel may retain protective possession of any injurious object taken until the risk of its use as a weapon has dissipated, unless prior to dissipation of the risk, the parent or guardian requests that the school personnel retain the object, in which case, the school personnel shall retain the object until the parent or guardian or another adult with the written consent of the parent or guardian appears personally to take possession of the injurious object from the school personnel.

A pupil who brings an injurious object to school, and who presents the object to a certificated or classified employee, may have the object returned at the conclusion of the school day, provided such injurious object may be lawfully possessed off school grounds.
