

## BOARD POLICY

Student Organizations or Clubs, Formation of

The formation of student organizations or clubs having purposes and activities supportive of and consistent with the educational programs of the district is encouraged.

All activities of approved student organizations or clubs are considered part of the total school program and, as such, are subject to the same requirements as the curriculum with respect to matters such as physical safety, cultural value, intellectual integrity, moral standards, and freedom from ideological bias or political partisanship.

The superintendent shall establish regulations governing the formation of student organizations or clubs on all district campuses serving grades 7-12.
