

BOARD POLICY

Student Rights and Responsibilities

The Board of Education hereby declares its support and encouragement of maximum learning opportunity and freedom in an open society consistent with order and respect for the rights and responsibilities of all individuals in all other activities associated with public education.

The foregoing is to be accomplished while maintaining those regulations necessary to promote safety and justice for all. The superintendent is directed to establish and enforce such regulations and guidelines for the continual and effective operation of the system of public education to which the Board of Education has committed itself.
